

This is in response to your letter dated July 24, 2008, regarding our July Quarterly Report (5/15/08 - 6/30/08), questioning a missing 48-hour notice. Please be advised that this was an in-kind contribution and we did not have all pertinent information at the time of the event (May 16). The host did not provide his statement of expenses until June 2. However, because FEC regulations require that we report in-kind contributions on the date of the event, we were forced to back date the entry once we were provided with the pertinent information
